Year's Work Climaxed At Stake Festival

A very enjoyable Speech and Music Festival was held Thursday evening in the Stake House with participants from the various wards. John Smith was master of ceremonies.

A piano duet was played by Marilyn Bacon and Carol Holmes after which Franklin Smith gave a Reading. The concluding numbers were a Hawaiian number by Margaret Stone and Dawn Mendenhall and a vocal duet by Maxine Dahl and Kay Salmon.

Bishop Snow, in as much as he is also Chairman of the School Board, received an extra honor—a kiss from a lovely young graduate—Mary Snow.

A few remarks were made by each of the four Bishops before the closing prayer was offered by Bert Fairbanks.

The Chorister was David Hudson and organist Pat Strong and Doug Stone.

Program Sponsors Say Thank You

We wish to thank all those who generously helped with our "Aotearoa Pamamoa" program last Tuesday night. Especially those who took the artists into their homes, those who sold tickets and advertised, those who helped with the stage and the lighting and the many others who helped make this show a success.

We offer our most sincere thanks to all those in the cast as well.

Following the S. S. session the regular worship service was held at 12 noon with Mr. Ward in charge. He took as the theme of his sermon, "God the Father." Mr. Ward favored with a solo, "Rock of Ages," accompanied by Mrs. Connie Grant at the piano.

Mr. Ward is leaving the Magrath charge at the end of June and will attend Theological College in Edmonton for the next three years to complete his Ministerial course in order to become an ordained minister. Mr. Ward has been a very faithful worker who will be greatly missed by the members and adherents of the Raymond United Church. The good wishes of all of us go with him and Mrs. Ward and boys to their new charge in Stony Plains, where Mr. Ward will be in charge of several churches while studying through out the week at Edmonton. A farewell party for the Wards will be held at the Magrath United Church recreation hall on Sunday June 22nd, at 8 p. m. It is to be hoped that as many of the congregation as possible will plan to attend.

...

Last Sunday June 15th a caravan of cars left the church at 3 p. m. headed for "Whoop Up" where the annual S. S. picnic was held. Though the day was windy and chilly there was a good attendance. After supper was enjoyed—the hot coffee and tea really hit the spot for the adults but the children preferred the cold pop there were races for everyone. The ball field was disappointing so most of the older boys and girls spent the time exploring and climbing the hills. At 8 p. m. a bonfire was built and everyone gathered round to roast weiners and enjoy another cup of hot coffee. As the shadow of evening gathered a very tired and happy crowd wended its way homeward, thankful for this annual get-together where the pleasant and genial companionship of young and old is enjoyed by all.

...

The regular W. A. meeting was

held Thursday June 12th at 8 p. m. at Stake Board.

Entertainment From South Seas Presented By Kia Ora Club

Last Tuesday night a large crowd of the visitors brought a group of his women with him to see if they could win some of the men for husbands flaver presented by the Kia Ora Club and so the two groups of girls try to of the Brigham Young University and outdo each other to gain favor with the men.

Our own Dick Kinsey started the program off as Master of Ceremonies but soon turned that job over to Joseph Hapi, originator and manager of the group.

Beautiful Hawaiian music, Hawai Calls and Hula Hands, started the show off with the Temple Scene. The lighting and scenery effects were beautiful in this number, as it was during the entire program, but only a few minutes were needed to make known the fact that the stage was much too low to allow those in the back of the hall to see. This dampened the enthusiasm of a few but it was an altogether thoroughly enjoyable show.

The words in the Hawaiian, Samoan and Maori language are pretty to the ear but are little beastes for the uneducated to spell so if you find a lack of names in this article you will know to which class the writer belongs.

The people of the Samoan Islands are great believers in all things being beautiful—that is why their girls are. The pretty Samoan girl demonstrated the fact that even a sword can be a thing of beauty when it is whirled and twirled during the Sword Dance.

When a group of Moari people get together they do a lot of singing and dancing and one of their dances, quite naturally, is one of greeting and welcome. The entire Kia Ora Club combined talents to do this number and a beautiful sight it was—all the cast dressed in native costume with the exception of Mr. Hapi who was resplendent in a white dinner jacket complete with ukulele.

The chief of the tribe and his chosen one gave their interpretation of the song of welcome and even though most people present couldn't understand a word they said they knew that it was a sincere thought.

The theme of the Maori section of the program was the entertaining by and for a visiting tribe. The chief of

Many Pay Last Respects To Wilford Heninger

The numerous floral tributes and the large crowd attending the funeral Services of the late Wilford A. Heninger bespoke the love and high esteem held for this man.

O. King. In 1917 he purchased a farm south of town which he farmed since that time. He had a great love of fine horses and was well-known for his Palominos which he started raising when Ray Knight brought a Palomino stallion into the country a good many years ago. Many a child has been made happy by his gift of a horse.

The maximum speed limit for cars travelling on Alberta highways and roads has been raised from 55 m. p. h. to 60 m. p. h. effective July 1. The new speed limit will be effective for both day and night driving.

This was announced today by the Vehicle Branch of the Provincial Secretary's Department. The change in the speed limit is the result of an amendment to the Vehicles and Highway Traffic Act passed at the last session of the legislature.

Maximum speed limit, day or night, for trucks is 50 miles per hour, highway buses, 55 m. p. h. and school buses 40. Drivers are reminded that the new speeds are not effective until July.

Mortorists were reminded again of the penalties arising from driving while under the influence of liquor. For conviction on the charge of driving while his ability was impaired by alcohol, a driver automatically loses his driving licence for two months if it is the first offence and for one year for a second or subsequent offence.

Any driver convicted of driving while intoxicated automatically loses his driver's or chauffeur's licence for a year.

Hamilton, June — In this between-seasons time of year the Canadian home-maker is often confronted by the problem of what to serve for dessert. The answer is no farther away than the pantry shelf or the corner food store where a great variety of canned fruits is available.

"With little or no preparation, most canned fruits can be used for delicious, wholesome desserts," states Mrs. Iris Grigg Gillespie, home economist of American Can Company, food can manufacturer. She suggests the following recipe which is not only easy to prepare but provides an appetizing and delightful dessert:

Pear sundae with chocolate mint sauce.
1/2 to 1 cup canned crocodile syrup chilled.
2 to 4 cups mint extract.

1 20-oz. can pear halves, drained and chilled.
1/2 to 1 pint vanilla ice cream.

Combine chocolate syrup with mint extract. Place 1 or 2 pear halves cut side up in individual dessert dishes. Fill cavity of pear with ice cream. Pour chocolate-mint syrup over ice cream. 4 to 6 servings.

ENTERTAINMENT BY KIA ORA (continued from page one)

Mr. Hapi made a very pointed suggestion to a couple of very eligible people who now live in Raymond and have been to Polynesia. The romantic side of the audience received a sizable poke when the names of Dick and Jan were mentioned.

The stick dance of the Maori people takes a great deal of practice and a lot of concentration and a group of these young artists showed what coordination can do. This was a great crowd-pleaser and had to be repeated.

Another group of action songs, a love song by Mr. Hapi who was assisted by the chorus brought the program to the final number which Mr. Hapi said was a song of great tenderness and love. It has been sung for many years — even before the time of Frankie and Mr. C. The whole cast combined efforts to finish their most enjoyable program with the Maori and then the English version of "Now Is The Hour."

The Kia Ora Club was started at the B. Y. U. just three years ago by Mr. Hapi who was studying there. The purpose of the club is to publicize the University and give some of the students an opportunity to show the public the culture of Polynesia. The Club is made up of Mormon boys and girls — many of whom have filled missions in the Islands. There is a real cross-section of the U. S. in the Club with members coming from almost every state and at the present time there are two girls from Cardston in the Club. Out of the forty-two people, twenty-six girls and sixteen boys, who make up the membership only six are charter members. Native members of the east include Mr. Hapi who is a Maori as is Albert Whaanga, Mira Tama, Kerewama and Wharonaki Hotene. The lone Samoan member of the group is Otera Tamahine and the Hawaiians are Ulu Thompson, Rose Maki and Ray Kaleikau. The group travel in seven cars and are really having a wonderful time seeing more of the world and bringing some of the romance of the south sea islands to many who would otherwise never have the chance to enjoy that culture except through books and highly colored movies.

The group asked that their sincere thanks be extended to all who were so kind to them in Raymond.
